

West New York Board of Education

Addendum # 1 (2020-2021 RFP / RFQ, BIDS):

As per its Local Finance Notice 2020-10 issued by the Division of Local Government Services on April 15, 2020, the Division made a number of recommendations, in light of Executive Order 107's restrictions on public gatherings, to mitigate the spread of COVID-19.

The WNY School District is intent on incorporating some of the Division's recommendations aimed at reducing in-person contact during the competitive bidding.

As such, The West New York Board of Education is issuing the following addendum to the RFP, RFQ, Competitive Contracting and Bids (original notices published on Friday, April 1, 2020) with the following changes (change of bid opening time and venue, added video streaming of bid opening) for each competitive bidding category listed in the table below.

PLEASE NOTE: All Submissions are to still be mailed to:

West New York Board of Education
Attention: Mr. Dean Austin
6028 Broadway
