

## Configure Smart Phones with the West New York Email

Server: webmail.wnyschools.net

Domain: wnyschools.net

Username and password are the same as your network login.

Note 1: you may need to type the domain\username for the username, ie  
username: wnyschools\kbryan

Note 2: If you are physically located at 6028 Broadway, your domain is  
wnyboe.net

The setup for corporate email is different for each model phone. Please click on the support page for the manufacturer of your phone and enter the model to get specific corporate email setup information.
