Public School 2 celebrates its end of summer program

This past Tuesday, July 27, Public School #2 celebrated its end of the summer program with a presentation by the extended school year program students. This year's theme was "Happy Birthday to the USA". The activity was presented by teacher Yesenia Camilo with the help of Lissette Rodriguez, District Supervisor, classroom teachers and teacher's assistants. Students from Pre-K to 6th grade danced and performed songs like *Surfing USA!*, *God Bless the USA*, *Only in America*, and *Party in the USA*. "It was a great opportunity to promote team work, follow multi-step commands, and most importantly, happiness in every child. The children enjoyed each rehearsal." said Ms. Camilo.
