## Public School Number Four celebrates Red Ribbon Week

Red Ribbon Week is an alcohol, tobacco and other drug and violence prevention awareness campaign observed annually in October in the United States. On October 28th, Lissette Lombana, the Substance Abuse Coordinator, gave a very special presentation to raise violence awareness. She talked to the students about how to recognize signs of violence in people and how violence is a learned behavior. The children really enjoyed the presentation and learned what to do when they have bully trouble. [Click here](#) to view pictures from this event.

## Columbus Day

On October 11, 2010, Public School No. 4 celebrated Columbus Day with two assemblies which paid homage to the man who is credited with the discovery of America, Christopher Columbus. In each assembly, the students led the audience in the Pledge of Allegiance and performed two songs, "Columbus's 1st Voyage" and "Columbus sailed the Ocean Blue" accompanied by their music teacher Pablo Rodriguez. The purpose of the assemblies was to educate and entertain the audience about the early life of Christopher Columbus and his first voyage to the 'New World'. [Click here](#) for pictures.

## PS#4 celebrates Hispanic Heritage Month

On October 5, 2010, due to the celebration of The Hispanic Heritage Month, Public School No. 4 decorated the hallways with flags from all different countries, made by the students from 4th, 5th and 6th grade and also with paper doll chains made by the kids from Kindergarten to 3rd grade. The whole school worked together as a team to create such beautiful job.

In the picture, the students from 1st grade with their teacher Miss. Gabriella Lazzara and the Assistant Principal Harold Schroeder.
