October

Going Above and Beyond

During the monthly meeting of the Board of Education for the month of October, members of the North Hudson Firefighters Association, and students of Memorial High School's Future Educators of America (FEA) and Tomorrow's Teachers, were honored with the District's Above and Beyond Award for their recent contributions to the student community of West New York.

Both groups organized their respective backpack drives, which included new backpacks and school supplies for students in two of the elementary schools. Public School No. 4 received 80 backpacks from the students of FEA and Tomorrow's Teachers. Public School No. 5 received 100 backpacks from the North Hudson Firefighters Association.

The Board of Education expresses their congratulations and gratitude to both groups for their charitable contributions.
